

Data sheet

W4U 120

Flathead Wax

High-quality wax ribbon for a wide range of applications. W4U120 prints durable images on a variety of substrates.

This resin-enhanced wax produces high-quality, dark, dense images and offers one of the highest smudge and scratch resistance of its class. It prints at a maximum speed of 300 mm/s (12 IPS).

Characteristics

- + Highest smudge & scratch resistance in its range
- + Super edge definition for dark, dense images
- + Prints on many substrates
- + Prints at high speed, delivering sharp rotated barcodes

Substrates

- + Coated paper
- + Uncoated paper
- + Synthetic paper
- + UV-varnished labels

Applications

- + Shipping
- + Shelf & bin
- + Packaging
- + Inventory & logistics
- + Food contact
- + Retail
- + Pharmaceutical

Technical specifications

Carrier	4.5µm
Color	Black
Max. print speed	300 mm/s (12 IPS)
Ink melting point	73 °C (165 °F)
